AGENDA ITEM

Welcomes Other Y6 on school journey

New value for next half-term is Honesty

Ryan gave bead. Ask office about honesty jar. By next Friday all councillors to give out beads looking for examples of honesty. SC report back to class and give them deadlines. How many beads do you think we can give out before next Friday - set a target. At next meet SC will report back. Achieved target or exceeded it!

UK Parliament - Our MP Mr Burrowes asked us to write about why we should be nominated for a Flag 2015 project. Then it went to the Houses of Parliament and - we got it!! SC are going to design a flag for Enfield in December and it will go forward for a national competition! How exciting.

North London Hospice - on 8 July some of the councillors are going for lunch there to talk about our Autumn ideas.

We will work on theme of "Memories":

Sharing favourite stories from childhood

Poems - resident poet if we get someone

Favourite cakes from childhood (making them and have tea party together)

Making memory boxes including photos, toys from the past

About Highfield - farm etc

Highfield's Got Talent winner/choir - school song

Invite to Xmas performances Plan a trip somewhere - museum, park - link it to our school topic

Spring - Parliament loan box to discuss elections Visit every fortnight? At lunch date decided day and when is best time?

Waitrose community matters bid. Asked Mrs Hill about sheep - too difficult to manage? Poet *in residence* - working with the school for maybe a year - might be 2 or 3 days, might be every week - we have to find out how much. Also ask the Friends as well.

Next meeting: Wednesday 16 July 2014 9.00am to discuss our Hospice work next term
