Our motto
Value of month - Responsibility. We filled the jar with beads. Its our job to be role models and spot our values.
Podcast from Edwardian Day - Listen to and item for newsletter at end of May? Tell your class about it - ask them to listen to it. It's on our website. Next broadcast - what shall we do it on? Involve Year 4 - jingles about the summer fete. We started thinking about bouncy castle jingles. Homework think about jingles.
UK Parliament - ask classes what project should we start in June or Sept? Watch Parliament website video about other project winners. After SATs year 6 children visit phase assembly Y1/2, Y3/4, Y5/6 show them the video and give them a week to think about what they want to do. Bring ideas back to next mtg.
Waitrose community matters bid. Y6 speak to Y3/4/5 and then own classes - what would they like us to bid for - money for something in the school. About £250. Then councillors to write persuasive letters to Waitrose.
Mini mentor review. Mini mentor and Mrs Lynch to visit a local school where it has been going on for a while. All councillors to encourage their friends who need someone to talk to, to go and try out the mentors.
SC summer trip around our topic Global Citizenship? suggestions help out at local hospice, visit a local hospital, homeless centre maybe serving food? Any other suggestions let Farah and Tariq know by next Thursday.
