

Year 3 Recorder Concert

3RM highlight

This term Year 3 performed at a recorder concert to their families, carers and friends. The children have been learning the recorder since the start of September and have had weekly recorder lessons in class. The children have worked very hard and can now play the notes A, B and G.

At the concert the children played a variety of different songs. The children really enjoyed the experience and showing everyone how much they had learnt so far.

'I really liked playing the recorder to my family and the school.' Tyler 3RM

'I really liked it when we played with the other Year 3 classes.' Ascari 3RM
