

2016

Being a pupil at Highfield is nice because you learn lots of things about the world and you make new friends.

Nektario 6K

I like being at Highfield because it is fun. We have good staff and friendly children and I like it here and I grow up here and it is like my second home. We should respect everyone. Buddy's, mini mentors, school councils. We are so happy and lucky to have them here. I feel very welcome and happy to have so many friends. I like it here and I would like to stay here forever.

Emily 6K

It's a lot of fun and I am looking forward to the many fun days ahead. I really like this school and I like the other pupils and teachers in the school. At first I was really scared because I was used to seeing my friends from South London. But I really like this school, I have a lot of friends and I have no complaints because I love this school.

Anissa 5S

I like being a student at Highfield because everyone is kind and lovely and especially teachers. I enjoy learning and being taught lots of educational things and games. At Highfield there are fair and equal rules and lots of opportunities to achieve great things. I feel comfortable and I'm cared for.

Masen 3C

It is exciting to come to Highfield because you learn all sorts of fun things.

Christian 3C

It's amazing being a pupil at Highfield. You get to do so many things, like Art, ICT, going on trips, awards and lots of many stuff. Highfield has been the greatest school I have ever been before. The teachers are nice; the pupils are nice as well. We have a very nice Head teacher Mrs Kemal. She is very nice and kind. She always works hard for all of us. Like getting work ready for the teacher and she created this moto: Together we can achieve more.

Rojin 4D

It is great being at Highfield because you have lots of places to play and you learn lots of things. I love being here; loads of new children come here, so I can make new friends

Kauthar 4M

It is fun and exciting because we do fun things in maths and guided reading. I love to read and look at the pictures

Imogen 2I

If you are a pupil at Highfield you are very lucky because all the people at Highfield are kind. When I first started I was very shy but everyone in the class all calmed me down and it made me think that I was at home, just with more friends

Victor 4M

Being a pupil at Highfield is fun because we get to have fun lessons, like drawing the school and PE.

Radi 4D

It's fantastic at Highfield because you have a big playground and a climbing wall. In our class we have a fun role play area. I like everything about it here
