

Dali Class NEWSLETTER 4

April 2017

'Together we can achieve more'

Hello Parent/Carers
Hope you all had a lovely
Easter break. We have
planted our sunflower seeds
we are watering them
everyday and hoping that
they will grow very tall!

Dali team

Teacher and Specialist TA's

Alice Courtney Dali teacher

Rosalind Montague

The children had a great
time at KidzBiz!

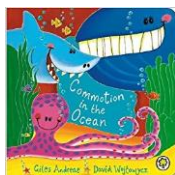

Teaching and Learning

This term our topic is
'The Sea'

We will be reading lots of
books about the ocean and
finding out about sea life
creatures.

These are some of the
books we will be reading
this half term. If you don't
have these books at home
you could always visit your
local library and borrow
them.

We are going to be focusing
on naming and describing a
range of sea creatures.
We are working hard on
developing the children's
phonics awareness and using
these skills when the
children are writing.

Below are some useful
website to support early
phonics.

How to help at home

Visit the library and find our
core stories to share at
home.

- Visit the London Aquarium or the Crews Hill garden centre have a range of fish for children to look at.
- Encourage and support your children to retell the core stories at home using objects to help them.
- Sea art and craft activities, painting and collages of sea creatures.

Maths We are focusing on
developing our number concept of
numbers 0-10. We have begun to
add 1 to a number using practical
objects; we will continue to work on
this concept using objects and a
number line.

We need your help!!

We are setting up a large water tray
in our garden, if you have any old
clean empty bottles, funnels or pipes
we would really appreciate any
donations.

Could you please send a box of
tissues in for your children as many
of them have runny noses.

Thank you for your continued support.
