

Governors Termly Newsletter

"Together we can achieve more"

Welcome back to all the families and the children of Highfield Primary School.

I am very excited to see what the new academic year will bring! A special welcome to all our new Nursery and our Reception children who are settling very well into Highfield life!

As a Governing Body we meet regularly to support and to hold account the school in its continuous strive to ensure high standards of learning for all its pupils.

This term 3 governors will be involved, alongside the Senior Leadership Team in the monitoring schedule of "book looks", pupil progress meetings and target setting for Y6.

If you have been on the school website recently you will notice that Highfield Primary School received an award from the London Mayor, Sadiq Khan, this was to acknowledge the school's achievement in ensuring outstanding progress for pupils who are the most socially deprived. I and the Headteacher were invited to City Hall to accept the award on the school's behalf.

It goes without saying that all the Governors are extremely proud and acknowledge the dedication of the Headteacher and all the staff for their relentless commitment to ensure the best for all pupils. The award is so richly deserved.

Some of our pupils performed their Poems on the value of Generosity. They attended the POEMATHON at The Dugdale Centre for the performance.

Cheryl the school Poet was very pleased with their efforts and the Local Press have written an article to say their performance was outstanding

The Governors will be arranging a coffee morning after half term so we can meet as many of you as possible. Date to be arranged. Enjoy the half term break!

Di Wren
Chair of Governors
October 2017
