What have you done since last meeting to show it.</p>
<p>Talk about our visit to Houses of Parliament. Powerpoint for assembly. Oliwia to show us our Year Book so far. Write thank you letter together. Display about our trip at end of upper corridor near photocopier. Have a look.</p>
<p>Write article for this month's newsletter</p>
<p>Visit by Governors - Monday 16 December at 9.15. Who are Governors and what do they do? Think of questions to ask them: What do you discuss at your meetings? Do you like your job as governor - why? What do you find difficult about being a governor? How are you helping the school improve as.. "together we achieve more"?</p>
<p>Value jar including friendship - check everyone has given out a bead for trust. Who did you give a bead to and why? What is trust - write down in child-friendly words. This what we came up with: If you believe in someone - tell them a secret they'll keep it You can rely on someone - they won't let you down Being a good friend - you can tell them anything and rely on them no matter what. You can count on someone You know that the person will not lie, and will always be truthful You can trust the person to be responsible Next half-term's value in Spring 2014 will be love</p>
<p>Canteen behaviour and rules - wet play lunch time monitors to help? - everyone except Sean and Tariq</p>
<p>Philippines fundraiser - Xmas performance collections. SC will speak to audiences. Letter about performances will go out soon.</p>
<p>School children's radio - Y6 doing show with Stuart. Been a few hiccups along way. Includes staff interviews. One problem - when recorded them the metronome setting to keep you on time - it ruined the interviews so have to do again. Finding it difficult to catch staff to do interviews again. Put a date into whole school assembly to hear first one.</p>
<p>Tuck shop - stop selling lollies as some teachers have seen children running with lollies in their mouths. Also please put litter in bins.</p>
<p>Next meeting: 16 December 9.15 in top class - with Governors.</p>
