

## Unit 4: Going to the seaside

# Learnanywhere

Who has visited other places?

Survey the people in your class. Some questions you might ask are:

What places have you travelled to?

How far away did you travel and how long did it take?

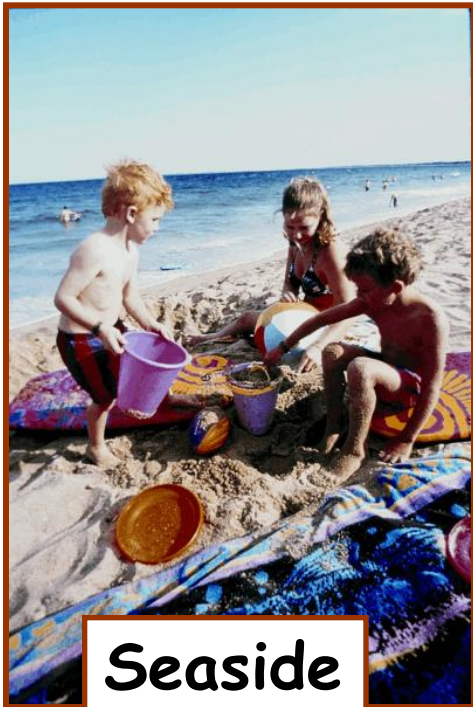

How did you get there? What mode of transport did you use?

Who did you travel with?

What was the environment like in the place you went to?

What sort of environments have we visited?

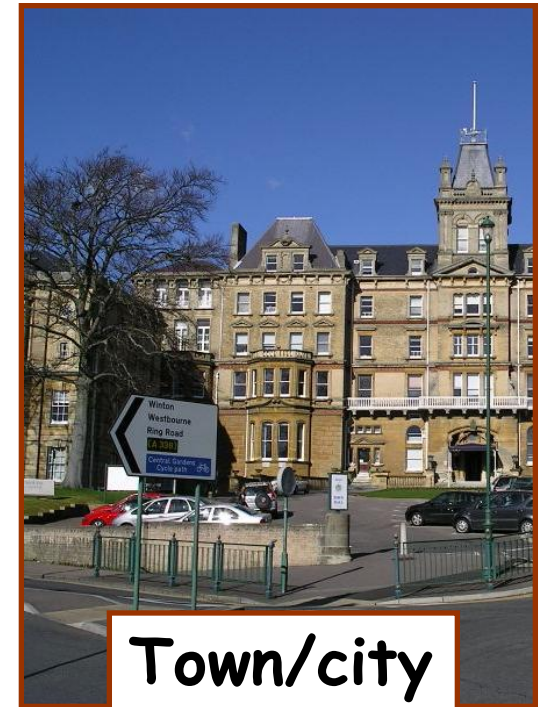

Sort the places people have been to by the types of environment below.

**Seaside**

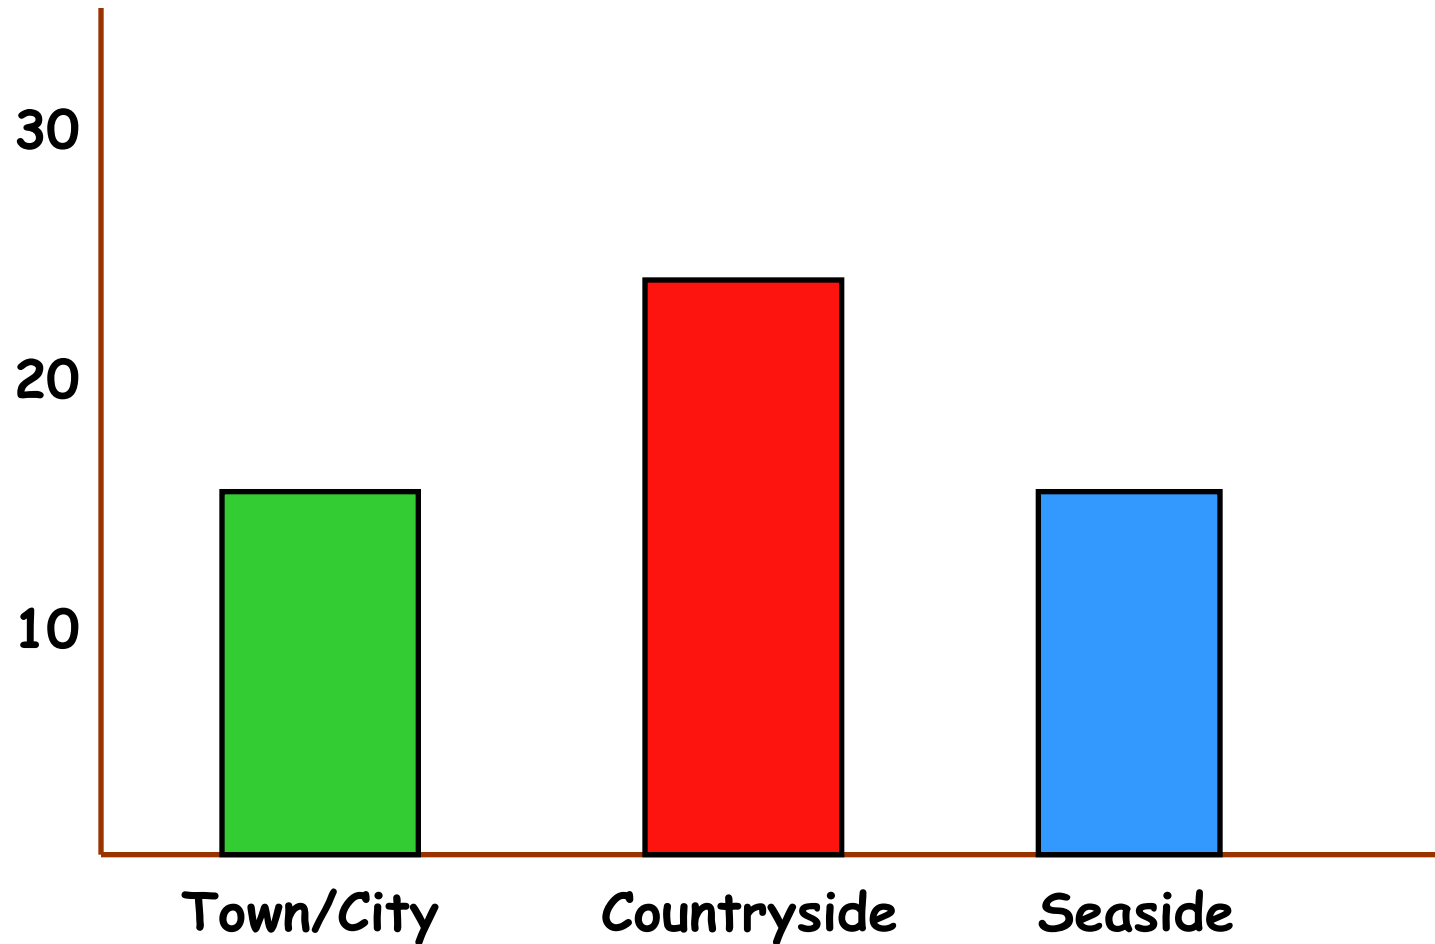

**Countryside**

**Town/city**

Count how many people have been to each one

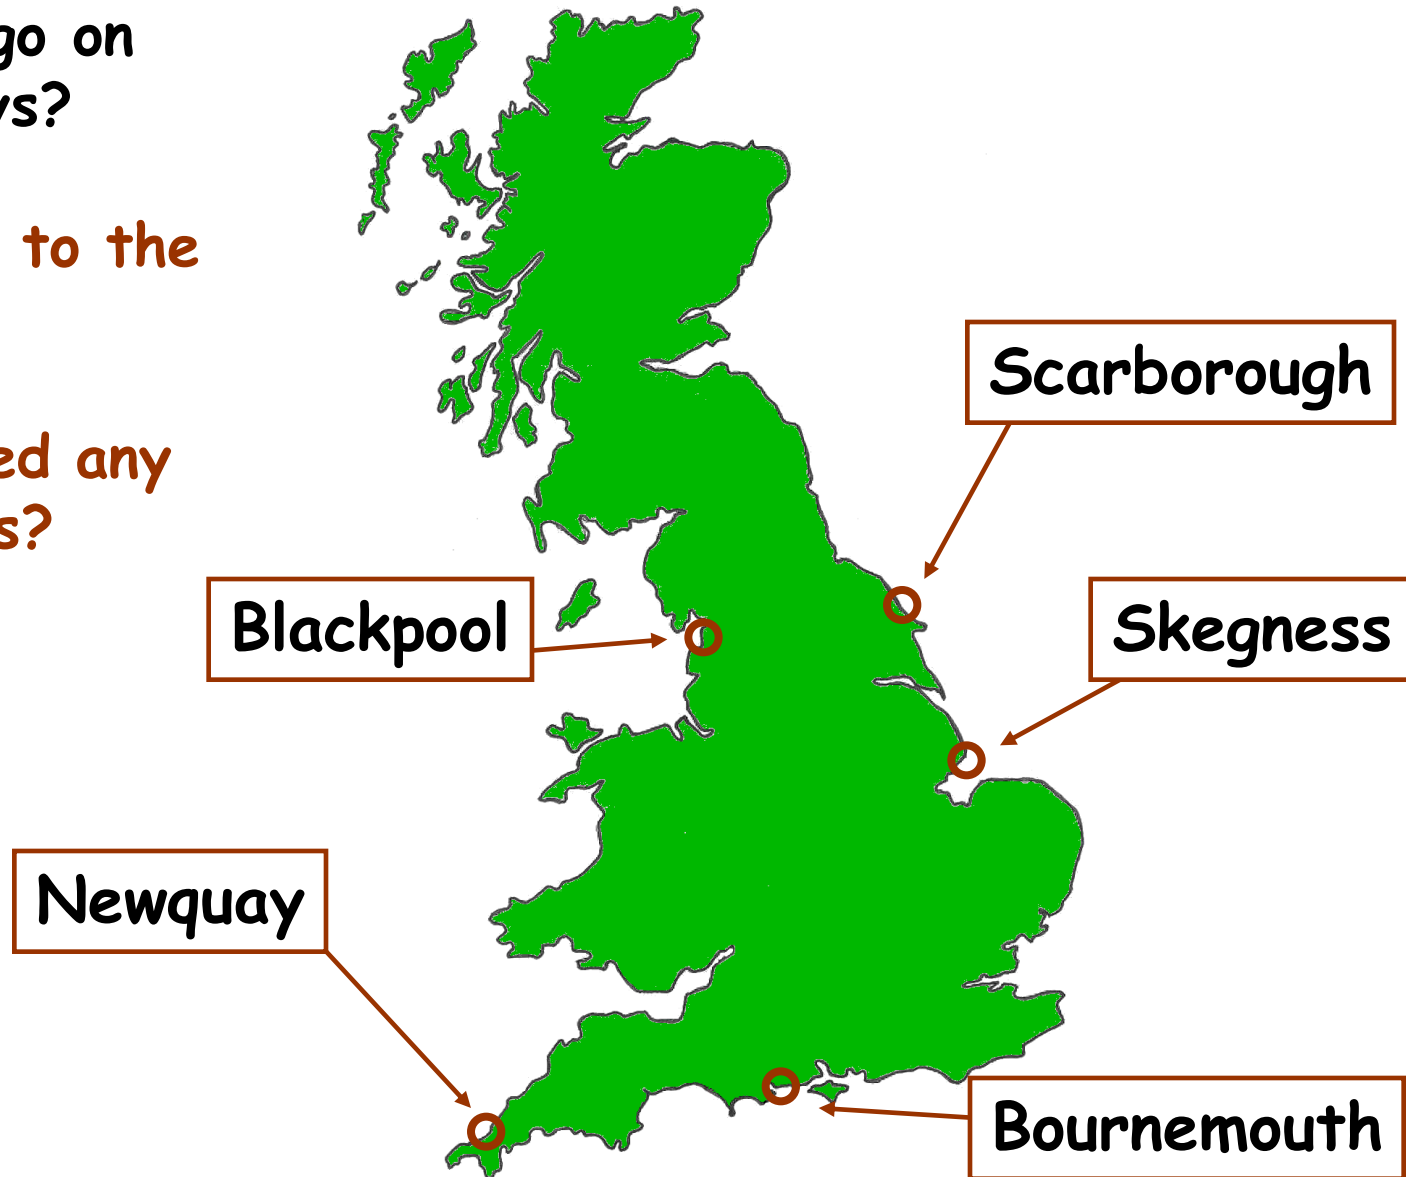

Put your results into a graph like the one below

Where do we go on seaside holidays?

Have you been to the seaside?

Have you visited any of these places?

Why do we like to go to the seaside?

Sandy beaches

Beach balls

Bucket & spade

Sunshine

Ice cream

Promenades

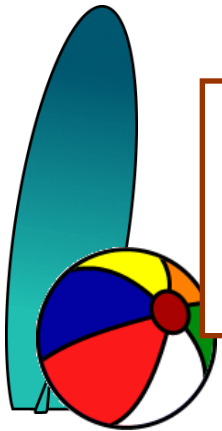

Deckchairs

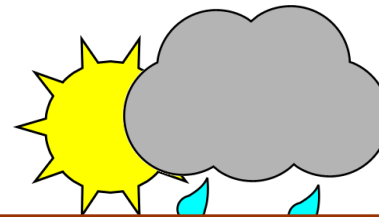

Surfing

How is the seaside different from our locality?

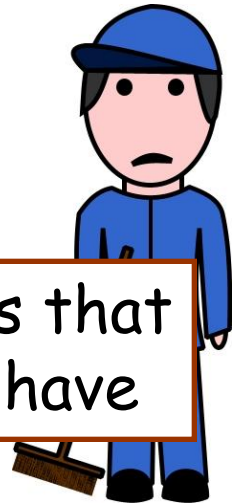

Think about the differences in:

The things  
people  
do for fun

The weather

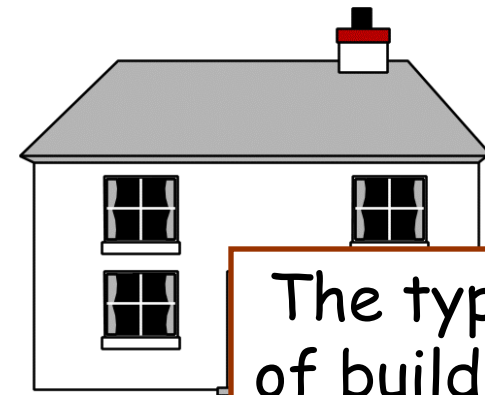

The jobs that  
people have

The wildlife

The landscape

The types  
of buildings

What was the seaside like in the past?

How are seaside holidays today different?

Where else in the world can we have a seaside holiday?

Have you been to other countries on a seaside holiday?  
Can you find them on the map?
