New value for next half-term is Honesty
UK Parliament - We decided our project will be making links with North London Hospice - visiting the centre and making partnership with the people who go there. We will work on theme of "Memories". Y3-5 to think of ideas over half term and given to Ms McGovern after half-term. So far we came up with: Sharing favourite stories from childhood, thinking about favourite cakes from childhood (making them and have tea party together), making memory boxes. Ms McGovern will talk with the Hospice about our ideas.
Waitrose community matters bid. Ideas so far: buying a sheep for our farm, more bins in the playground (is this part of Eco Warriors' work?). At next meeting we will decide and think about what to write.
Next meeting: Y3-5 Thursday 12 June 9.00am to discuss our Hospice work and ideas
