

## England vs France

*by Tobias*

Muddy fuddy in the mud  
Bang sharp trees in with a thud  
Hey! Horses stuck in mud

*shouting, neighing*  
*soldiers praying*

shooting arrows flying to death  
red blood streaming from the dead  
The French surrender all their men

*shouting, neighing*  
*soldiers praying*

Hooray! With Harry we have won  
and only 100 of our men down  
Battle won for country and crown

*shouting, neighing*  
*soldiers praying*
