“Together we can achieve more”

15 July 2016

Dear Parents/Carers,

This academic school year, I am sure you will all agree, has been outstanding. In the Autumn term we received the letter of congratulations from Nick Gibb, Department of Education for the progress our Year 6 pupils had made, placing us in the top 100 schools. We finish this year, having achieved an Outstanding judgement from Ofsted!

The school over the year has been extremely busy with class assemblies, trips, charity fund raising, coffee mornings, parents/carers' evenings and wonderful curriculum opportunities.

A special congratulation to Year 6: they had a great Year 6 school journey and what an amazing end of year performance of "The Lion King". I would like to wish them every success as they move on to their next stage in life, and to the parents/carers who won't be returning in September, thank you for all your support over the time your children have been at Highfield.

Friends of Highfield have worked tirelessly over the year to raise money for the benefit of all pupils. We all enjoyed the brilliant Summer fete last Saturday. Everyone said how lovely it was and we know it took a lot of hard work and time to organize it. A big thank you has to go to the Friends, families and staff who helped. The Friends are a friendly group who would be more than happy to welcome new parents/carers!!!

Highfield achieving OUTSTANDING is down to the dedication of all staff that work at the school. As Governors we know how committed they all with their time and energy. Congratulation to all our pupils who again have shown us their very best and to our parents/carers for the fantastic feedback you gave the Ofsted team.

The Governors wish you all a very Happy Holiday starting next Wednesday, 20 July and we all look forward to seeing you next term, on Monday 5 September.

Yours faithfully

Mrs Diana Wren (Chair of Governors)

"The Headteacher's passion for ensuring all pupils receive an outstanding education is tangible in all aspects of the school's work."
