Dear Parents/Guardians,

PERFORMING ARTS CLASSES AT HIGHFIELD – YOUNG CENTRE STAGERS

Centre Stage is celebrating its 18th year as an independent and family run Performing Arts School.

Young Centre Stagers is a preparatory class structured to encourage the young child to express herself/himself easily and to build confidence by using movement, improvisation and imagination games.

Lessons are fun and instructive with the emphasis on working together and building self-confidence at a pace that suits each child. Drama and performance are explored in an innovative and inspirational way in this fun class for children in school years, **Reception to Year 5.**

The Reception, Year 1 & 2 classes will be taught by our Young Centre Stagers Leader, Christopher O'Shea, who is a qualified and experienced primary school teacher specialised in Early Years. The Year 3, 4 & 5 classes will be taught by our Young Centre Stagers Drama Tutor, Gianni Tozzi, who is a highly qualified drama teacher and professional actor.

We would like to offer your child a **FREE TRIAL CLASS** on **Friday 8th September (Years R, 1, 2)** or **Monday 11th September (Years 3, 4, 5)**. If your child enjoys the trial session and wishes to continue you will need to confirm by **Wednesday 13st September**. Places will be strictly limited. *We have very limited availability for the Friday class.*
