David Wilson B.A. (Hons)

“Together we can achieve more”

Tuesday 20th February 2018,

Dear Parent/ carers,

As you are all aware our topic for this term is ‘Tomorrows world’. Over the next few weeks we are going to be learning about the people who help us and thinking about what we want to be when we grow up. To consolidate this learning we have arranged for a fantastic company called ‘Clever Cogs’ to come into school at the end of the term on Tuesday 27th March 2018. Your children will be involved in the ‘Learning Street’ experience where they provide hospital, vets and police role play.

So I guess you are wondering how we deliver such a unique learning experience?

Our learning centre apparatus has been made to the highest quality and every part has been designed to stimulate your children through imaginative play

Our goal is to create a learning environment that allows children to get lost in their imaginations and become more engaged and receptive to learning more than ever before

We have received some great feedback from teachers and learning professionals that not only the apparatus creates an enjoyable experience for the children but it also allows schools to deliver learning in a fantastic new way

Here is a sneak peak of what kind of learning experience you and your children can enjoy

Please find more information <https://www.clevercogslearning.com/>

The total cost of this learning experience will be £15.00 per child, and must be paid by Friday, 16th March using Parent Pay-please see attached letter. We hope we receive sufficient funds for the workshop to proceed as planned.

These visitors will be in place of a payable trip in the summer term where we will go somewhere locally instead at no cost. We feel having a learning experience within school would be safer and just as enjoyable. We hope you agree it looks fantastic!

Kind Regards,

Reception Team

“The Headteacher’s passion for ensuring all pupils receive an outstanding education is tangible in all aspects of the school’s work.”
Highfield Primary is an Outstanding School - Ofsted 2016
