The United Nations Convention on the Rights of the Child sets out the rights (Articles) of every person under 18. Staff and parents/carers have a responsibility to ensure that these rights are realised. Unicef is a charity which aims to protect and promote children's rights. Unicef's name is on the Convention.

Our Responsibilities

Together everyone is expected to follow the Golden Rules

Golden Rules

1. We are kind and helpful and respect each other's cultures.
2. We enjoy learning in class and let others do the same.
3. We are polite to each other and take it in turns to speak.
4. We always behave sensibly and safely in school.
5. We listen to the staff and do what they say straight away.
6. We take care of our school and equipment.

Our Moral Purpose

At Highfield we strive to provide each child with the tools they need to become their very best selves.

We aim to instil within them the skills and values which will enable everyone to positively contribute to the diverse world we live in.

Highfield's Vision and Values

Our teachers help us to:

- Love learning
- Have a high quality education
- Treat each other with empathy, kindness and polite.

All the children and staff in Highfield in 2018 - 19 talked about rights and responsibilities, which led to the making of this Children's Charter
