Any parents/carers with musical/sporting/specific skills or talents who have time to come in and work with us would be very welcome.

We aim to encourage and develop creativity by providing a wide range of opportunities to explore paint techniques, pastel, crayon and collage. Children will have regular opportunities to express themselves using music, dance and role-play.

Personal, Social and Emotional Development:

We will be concentrating on settling children into school, learning school rules and routines and making our own class rules. The children will get to know each other and different members of staff. We will be working on sharing and taking turns. Children will also be developing their independence and taking responsibility for managing their own needs, such as going to the toilet and putting on coats. As part of our whole school values, we will be developing respect, teamwork and cooperation.

Understanding the World:

We will look at changes as they occur within the seasons, and different festivals as they arise. As the whole school topic is 'Circle of life', Reception will be looking at our own personal histories. We would be grateful if your child could bring a named baby photo of themselves in.
