

### Don't Forget

- Spellings are sent home weekly. Please remember to dictate sentences to your child so they are ready for their tests. There is a big focus on spelling and phonics in the English Curriculum so it is important that you practise these regularly.
- **Please make sure your child has their PE kit left in their box. No jewellery or nail varnish to be worn.**
- Homework, spellings and reading books are sent home every Friday and returned on Wednesdays.
- **Uniforms** must be correct and clearly labelled with a permanent marker.
- Please make a comment about your child's reading in their reading record.

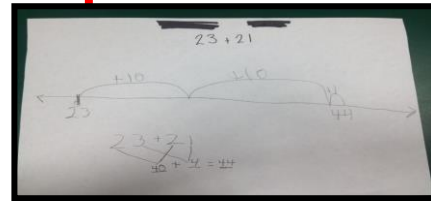

### Dear Parents/Carers

Thank you for all your hard work and support in the Autumn term. The focus for the Spring Term is 'Secret Spaces and Curious Collections'. We will also be practising for, and performing, our class assemblies.

## Year 2 Curriculum News Spring 2020

**Topic: Secret Spaces and Curious Collections**  
**Value: Selflessness**

### Maths will include:

- Place value
- Writing numbers in words and digits up to 100
- Fractions
- Money
- Counting backwards and forwards in 10s from any number
- Recall and use 2, 5 and 10 times tables
- Addition and subtraction
- Multiplication and division
- Developing a variety of strategies for calculating, including jotting, drawing number lines and partitioning

### Religious Education:

This term we will be focusing on Christianity and how children learn about their faith. Children will be learning about Sikhism for the first time, focusing on the birth and teachings of Guru Nanak.

### English will include:

- Recount
- Narrative
- Grammar and punctuation
- Spelling

Our key focus this term is ensuring that children's grammar is correct and that they are developing skills in editing and improving their work. Children are learning alternative phonemes and rules for adding suffixes. We will be basing our writing on 'Grace and Family' and 'The Emperor's Egg'.

### Topic:

Our theme this term is 'Secret Spaces and Curious Collections'. The children have already brought in some fantastic homework for this topic!

### PHSE:

In PHSE we will be focusing on keeping ourselves safe and being healthy. We will also be having weekly circle times to discuss things that upset us.

### Computing

We will continue to focus on E-safety in Computing. The children will also be learning about programming and debugging.

### Science:

Our Science topics this term are 'Materials and Plants'. We will be learning about bulbs and how they grow. We will be looking at different materials and their uses.
