These are the letter sounds that we have been learning in Nursery, and this is the order we have learnt them. Use the rhymes to help practise the correct way to write each letter. Write each letter using a different medium, eg. Paint, chalk, water and brushes outside, sticks in mud, fingers in salt, fingers in flour, bubbles in the bath, etc.

How many things can you find beginning with each sound?

Slither down the snake.

Round the apple down the leaf.

Down the tower, round the tower, across the tower.

Down the plait, up and round the pirates face.

Down the insects body, a dot for the head.

Down Nobby, over his net.

Down Masie, over the mountain mountain (slide down last one with a flick)

Round his bottom, up his tall neck, down to is feet.

Round her face, down her hair and give the girl a curl.

All around the orange.
