

Highfield Primary School's Quilt

You can see that we have been busy at Highfield and made a quilt of the school.

However if you look closely - you will see that the school is empty. Your new challenge is to draw, or paint, or embroider, or collage, or make, or produce a design of what happens in our school, above our school and even in the playground. The windows of the quilt open so that we can see inside the building. Your piece of work should measure about 12cm by 10cm to fit inside the big windows or 10cm x 6cm to fit inside the small windows. Perhaps you can show yourself playing in the playground and don't forget the seagulls that sit on the roof, the goats, chickens or pigs in our farm.

(Or perhaps you might design a sketch of something that you would like to happen in our school).

Bring your art work with you as soon as we are back in school. We will reproduce it, or sew it into our quilt. We can produce a great whole school celebration of Highfield Primary School and your work. Let your imagination loose and let's create something fantastic.
