

To my wonderful team 1D,

How are you all? I have missed each and every one of you so much! I really hope you and your families are well and are spending lots of quality time together. I know it is a very difficult time at the moment but just remember this will not last forever.

I have been reading all the brilliant things you are doing at home and how hard you have been working with all the home learning - keep it up! I hope you are taking part in the Joe Wickes home workouts every morning. I absolutely loved the 1D's Scavenger Hunt idea - it was lovely seeing a photo of some of you on a video chat!

I have also been keeping very busy during this time. I have been preparing some work for all of you as part of your home learning. I am writing a diary, meditating, practicing yoga at home (I know you all know how much Miss Demir loves yoga and meditation) and baking bread. As most of you are aware, I need to improve my art skills so I am practicing drawing pictures of flowers too - practice makes...perfect! I have also had the opportunity to read quite a few books I had purchased in the past but hadn't had the time to read. I hope you are all reading too on Bug Club.

Here is a photo of the bread I baked!

I am really looking forward to being back at school together and being a team. Once we are back at school I promise we will have a double golden time session (without earning 10 marbles) in our classroom as a treat for showing resilience in the work you have been completing at home.

I would be delighted to find out how you are keeping busy over the Easter holidays.

Remember to be **happy, be positive and always try your best in your learning.**

Stay safe and think positively.

Lots of love from Miss Demir
