

Dear 3L,

How are you? What have you been doing? I have enjoyed the pictures, messages and work that I have been sent. I am glad that you have been working hard and your new 'teachers' (parents) have been keeping you busy. I am glad that many of you are doing Joe Wicks and other exercise. It is great to know that you are in touch with each other and hope that we will all soon be together again.

I hope your families are well and you are helping them. Many of your parents are new to teaching and some of these topics so you need to help them learn too. If you have younger siblings, you can help teach them. I see many of you are helping your parents bake and cook which is a great idea.

I am doing well but I am missing teaching you all. All the laughs we have together and your smiles. I feel that I should write this letter with lots of mistakes so you remember what it is like to be in my lessons. I have been keeping busy doing my exercise once a day (but I miss dragging people around the track with me), drawing, creating work for you, answering your emails and looking at the hard work you are doing. I am glad to see how many of you are reading your online books, practising your timestables, challenging yourself on Education City and Purple Mash. It has been wonderful to see all the thoughtful emails you have sent each other. For those of you who would like to write an email to me or you classmates, you can use [Purple Mash > Home Tools > Communicating and Sharing > 2email](#). You can use it to communicate and send each other pictures.

Stay safe and look after each other. We will all be together again sooner than you think.

Lots of Love Miss Levison
