

# Lesson 5

L.O: I am learning to use subordinating conjunctions.

# Fun on BBC Bitesize

Every Friday, you will not have any work to hand in for English. This will give you some time to complete work you may have not had time to complete during the week.

So have some fun and watch the video and play a game about 'subordinating conjunctions'.

REMEMBER: You do not have to hand in an assignment today.

Well done for your hard work so far!
