#### Task 1

What do you think about Perks' reaction? Was it right for him to act in that way? Explain your opinion.

Accept any plausible explanation.

#### Task 2

*"So you've been 'round telling the neighbours we can't make ends meet. Well, you can just take it all back where it came from, and if you don't mind I'd rather not be acquainted with you any longer"*

How did the children feel after Perks said this to them? Why do you think they felt this way?

### Sum2 Wk1 - English - Wednesday

Reasons <b>for</b> <i>(His reaction was acceptable and he wasn't rude in any way)</i>	Reasons <b>against</b> <i>(His reaction was unacceptable and very hurtful to the children)</i>
He is managing his family and money very well and doesn't need any support.	<i>His reaction was out of order as the children had good intentions and just wanted to do something special for him.</i>
He does not want the whole town to think that he is incapable of looking after his family.	All gift givers gave a message to say how grateful they are to have someone like Perks to help out, the gifts were not given out of pity.
