

Sum2 Wk4 - English - Monday

Talk 4 Writing - Home Learning

Submit this work for your teacher to look at.

Over the next two weeks, you will be learning about some weird and wonderful animals!

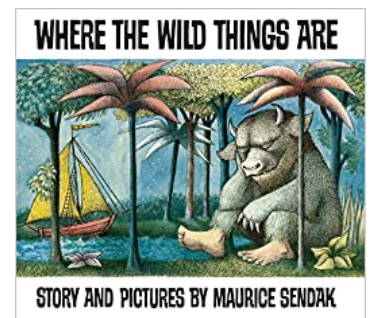

MEET TED SPLOERER

Hello, I am **TED SPOLRER**. I'm your explorer and guide, so let's get on with our exciting adventure together!

Stimulus - Where the Wild Things Are

In 1963, Maurice Sendak wrote the picture book **Where the Wild Things Are**. Do you know it? In the story, Max, on the night he wore his wolf suit, went on a magical journey to the land of the Wild Things and became the king of these strange creatures. Eventually, he missed home and made the journey back to his bedroom, where it all began. It's a wonderful story – you can listen to it here and see the wonderful illustrations.

In the story, there are many strange creatures that have never been seen before. As an explorer, you discover strange creatures all the time on my travels around the world.

I managed to photograph a new creature on my travels to Africa last year. It is the extremely rare **Rhiswanozebta**.

Predict - What do you think this animal could be? What does it look like? Where does it live? What does it eat?

ANS.
