Headteacher - *David Wilson B.A. (Hons)*

Deputy Headteachers–

Stephanie Morton B.A. (Hons)

Dear Parents/Carers,

Early next week you will receive a form from your child's Class Teacher asking you to book an appointment to discuss your child's learning and general wellbeing remotely. These meetings will take place between Monday 29th June and Friday 17th July. Where possible we would like both children and parent/s to attend.

As a result of the unprecedented events of the year, the March Parents Evenings were not able to take place therefore you were provided with a brief report detailing how your child was doing in the key areas, as well as giving you some targets to work on at home. We now feel it is important that yourselves, and your children, have the opportunity for some virtual face-to-face communication with the Teacher. These meetings will last for a *maximum* of fifteen minutes and will cover the following:

- Home and School Learning - What has gone well? What has your child found more challenging? How are they feeling about their learning?
- Next Academic Year – Any questions for next year and brief details of new topics to look forward to.
- Year 6 – Discussion around which secondary school they are going to, followed by the opportunity to ask questions about how they feel about transition.

The Teachers are all really looking forward to speaking to all of our wonderful children and families. In the meantime, thank you all for your continued support.

Yours Sincerely,

SLMorton

Mrs Morton
