Partially or Fully Selective Schools

- Selective schools aim to test children before the closing date for applications.
- Children must be registered directly with the schools to be entered for the relevant selective tests/trials/auditions
- Where possible, schools will let parents have the results of the tests/trial/audition before the closing date for the Borough application.

Partially or Fully Selective Schools

- If results are not available before 31 October closing date, you will still need to include the school in your application
- If, after receiving information about the outcome of the test, you want to change your preferred schools, you should make this request as soon as possible and no later than 9th December.
- Further details on Enfield's website

Changes to Testing Arrangements for Selective Schools, 2021 Intake

In response to a range of Covid-19 related issues which make early autumn admissions testing undesirable and impractical, many schools which test for a child's ability or aptitude have decided to postpone admission tests until later in the autumn term.

In Enfield, the school affected is The Latymer School. The Office for the Schools Adjudicator has recently approved the request to vary the arrangements for the 2021 testing and full details of the revised dates are available on the School's website:

<https://www.latymer.co.uk/admissions/year-7/2021>

Despite these changes, parents should still submit their common application by the national closing date, 31st October 2020.

If you are an Enfield resident parent/carer:

- Once you receive the results of the test, you may make changes to your application preferences (such as to add or remove a selective school) providing you notify esas@enfield.gov.uk before 10th December 2020. Changes to preference after this date will only be considered after 1st March 2021
- We will similarly accommodate changes to preference relating to late test results for selective schools in other Local Authority areas.

If you are not an Enfield resident parent/carer:

- Please contact your home local authority for their policy on making changes to a school admission application.

If you have questions about test arrangements, please check relevant school websites, or contact the school(s) directly.

What can Enfield parents expect?

- Enfield will apply on your behalf for schools outside the Borough.
- Late applications or changes of preference after the closing date will only be accepted in exceptional circumstances
- If your child is eligible for more than one school, the preference order will be used to decide the final offer
- Single offer emailed to parents/carers on 1st March 2021
