Stephanie Morton B.A. (Hons)

Louise Calder B.A. (Hons)

“Together we can achieve more”

School reopening confirmed 8th March

Dear Parents/Carers,

As I am sure you are all aware the school will be fully reopened to **all children** from Monday 8th March. The school will run in a very similar way to before Christmas (staggered starting and finishing times, class bubbles being kept separate, additional hand washing etc). There will be further information sent out next week regarding the systems and procedures that we are still going to have to keep in place.

I would also like to take this opportunity to thank you for the continued support you have given the school over the past few weeks. We have received many messages of support and thanks from parents and we are very appreciative, especially during a time when a significant amount of the burden of teaching children has fallen onto many of you. While our staff have been fully committed to delivering high quality learning, both in school and for those children at home, support from carers and parents has been vital in getting children engaged with their online learning and I would like to thank you for this. We know from the first school closure that those children who regularly engaged with the online learning will find the reintegration back to school easier to manage and will progress more quickly than those who have not. The support you have given your children during this time will make a real difference. Please continue to do so in the final few days before we return.

I am hopeful that over the coming weeks and months we will be able to reduce restrictions and give pupils more freedom and opportunities, particularly regarding extra-curricular activities, but we need to proceed with caution and take a step at a time. For now, we are just looking forward to having all of the children back in school.

Yours Sincerely

Mr Wilson
Headteacher

“The Headteacher’s passion for ensuring all pupils receive an outstanding education is tangible in all aspects of the school’s work.”

Highfield Primary is an Outstanding School - Ofsted 2016
