

Highfield Primary School

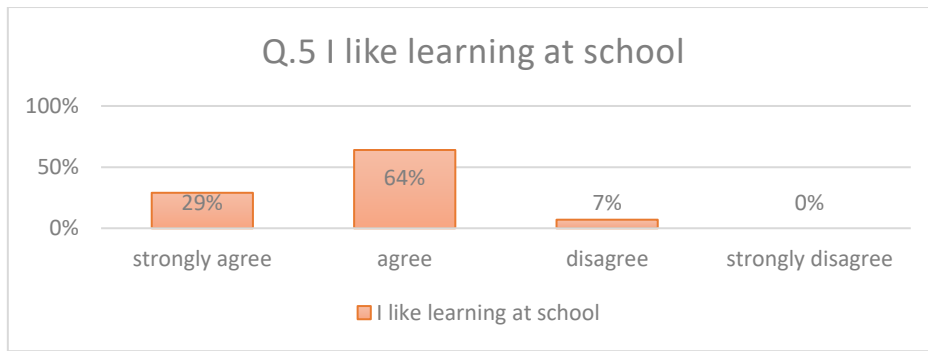

SEND pupil questionnaire Sept 2021 45 children from Highfield primary were interviewed and responded to a questionnaire. The sample group consisted of 3 children from each class from yr2 to yr6 (Balance of boys/girls, SEND, PP, LAC and post LAC pupils).

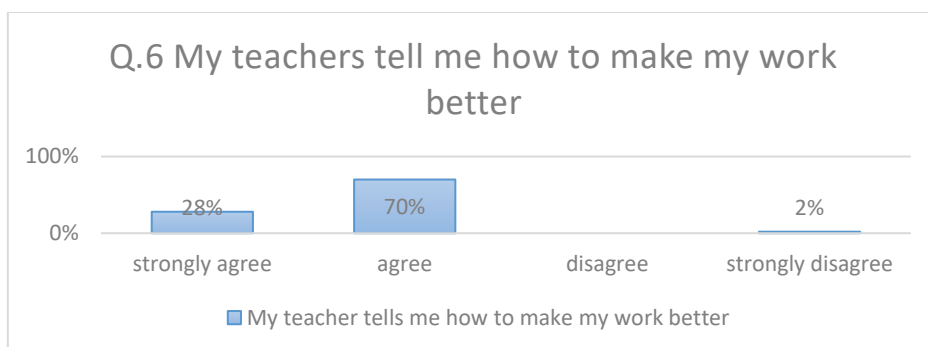

The children were asked to name a place in school they felt safe and enjoyed the most – the children feel safe/like a range of spaces across the school especially the outside play spaces.

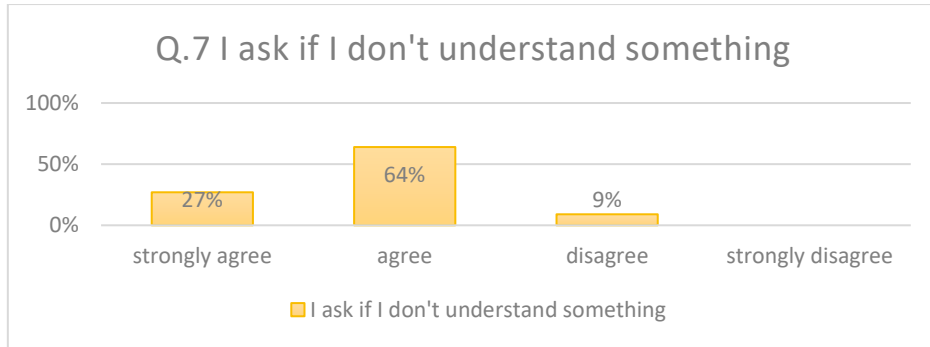

INTENT

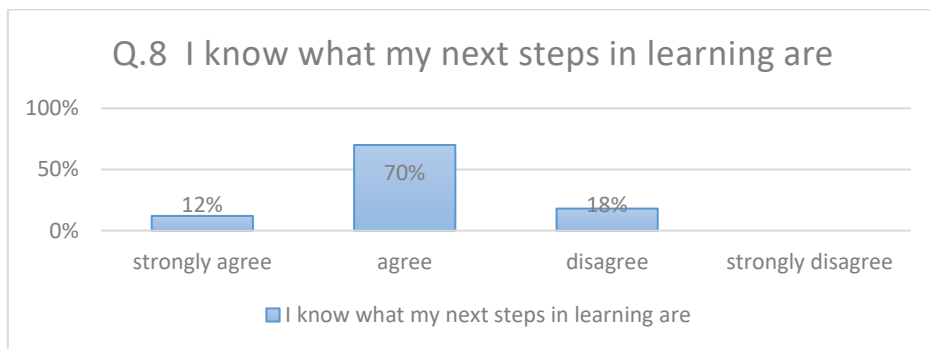

The children were asked to name their favourite subject in school – responses ranged across the curriculum, many children referenced enjoying Art, Maths, PE and learning outside.

IMPLEMENTATION

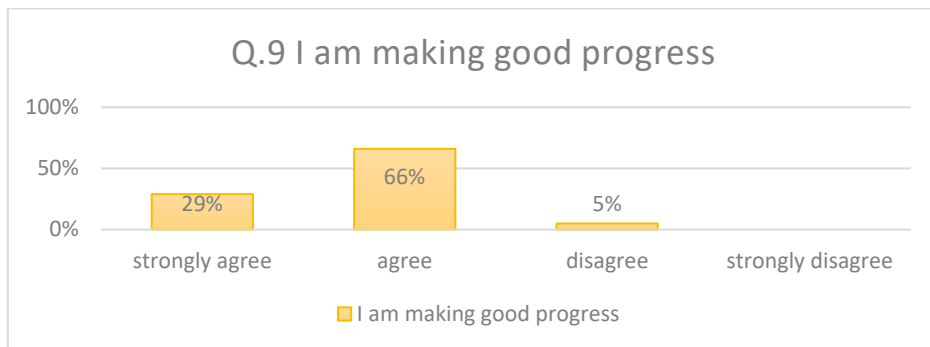

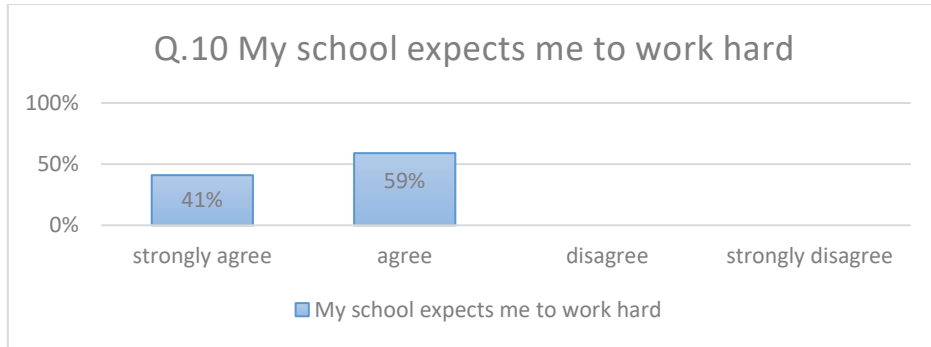

IMPACT

Some children did say that their teacher had not been talking about new targets just yet but all felt that they would find out their new targets as they settled into the year.

The children were also asked

Q. 11 Is there anything you would change about your classroom to make it better for learning.

The children made many positive comments, some children said that they would like a bigger classroom especially at KS2.

Q.12 What do we do best at this school? The majority of children talked about teaching and learning, keeping children safe, learning rules and values, being kind, assemblies, learning to respect and listening to each other.

L said 'Highfield school makes the children feel happy. There's nothing that I would change'

Q13 How can we make our school better? Many children said they were very happy with the school just the way it is. Some children did make the following suggestions.

- C 'A new climbing frame'
- D 'Fix the climbing wall'
- A 'Have the same breaktime across the school'
- M 'Get more buddies in each class'
- B 'Letting all year groups go swimming'
- E 'More school trips'
- T 'More lunchtime clubs'
- A 'Keep asking everyone about their views and opinions'
- E 'Take turns to look after the animals'
- K 'More special days like Highfield Heroes'
