

# OUTSTANDING RESULT

## Message from The Governors

*By Diana Wren, Chair of Governors, on behalf of the Governing body*

Dear Parents/Carers,

The Governing body are delighted with the Outstanding outcome. The full letter is available to read in the school information section of the website. The outcome is the result of the hard work of our wonderful staff, students, parents and other members of our community. Across the county last term many Outstanding schools inspected by OFSTED lost their Outstanding grading. This makes our achievement here even more remarkable.

The letter comments on how students really enjoy attending Highfield School and their teachers and leaders have the highest expectations of them. This is to be commended and we are incredibly proud that our children receive the very best education at Highfield. Governors are so grateful to our committed staff and the dynamic leadership team. We would also like to take this opportunity to thank you, our parents and carers, for your part in ensuring our school continues on its journey to excellence.
