

Upcoming Important Information/Dates

Welcome back! We hope you have had a lovely summer break. The Year 1 - 6 children have settled really well into their new classes and have enjoyed 'Be Proud of Who You Are Week'. Nursery and our new Reception families have been getting to know their teachers in their home visits.

Attendance

Each week we celebrate the two classes with the best attendance for that week – one from EYFS/KS1 and one from KS2. CONGRATULATIONS to 1M (with 95%) and to 5C (with an impressive 99 %) for their great attendance this week. These classes will receive our 'Attendance Bears' to look after for the week.

Hot Weather

Whilst the hot weather continues, please remember to put suntan lotion on your child before school and provide them with a labelled sun hat and water bottle.

Uniform

Please remember to label your child's uniform so that it can be easily returned if mislaid. This is particularly important for jumpers/cardigans, coats, packed lunches and water bottles. Please ensure your children follow the uniform guidelines as set out on the school website.

Google Classroom

Please remember to sign up to your child's new Google Classroom (Years 1-6).

Meet The Teacher

Thank you to those of you who attended our Meet The Teacher sessions this week. For those of you who were unable to attend, PowerPoints are now available to view on GoogleClassroom.

Bike Shed Access

Unfortunately due to the age and condition of the windows at the front of the school (above the bike shed/area) we have been advised to section off that area. We have been assured by the local authority this will be dealt with as soon as possible but we do not currently have an exact date for this. In the meantime, children are allowed to chain their bikes to fences as long as they do not obstruct walkways/access.

Friends of Highfield

The Friends of Highfield (FoH) raise money for our school by organising fun community events for the children, their families and the local community throughout the year. If any of our new or existing families would like to join, or find out more information about the FoH please see the school website, 'Parents and Carers' section.

Families Magazine

Please see below for the September/October Issue of Families North London.

It has a great 'What's On for Kids in North London' guide. Plus suggestions for fussy eating, board games guide, museums guide, crafts and recipes for parents and children to make together.
