

Upcoming Important Information/Dates

Attendance and Punctuality

Each week we celebrate the two classes with the best attendance for that week – one from EYFS/KS1 and one from KS2. CONGRATULATIONS to **RL** (with **97%**) and to **4GF** (with **99%**) for their great attendance this week. These classes will receive our 'Attendance Bears' to look after for the week.

Well done to the following classes for their excellent punctuality (least amount of lates). CONGRATULATIONS to **RJ** (with **0 lates**) and to **5C** (also with **0 lates**) this week. These classes will receive our 'Early Birds' to look after for the week.

1B Class Assembly

This will take place at 9:15am on Friday 3rd May - Parents/Carers, please join us as 1B share some of their learning with you.

3P Woodcroft Visit - Friday 3rd May

3P will be visiting Woodcroft Wildspace on the morning of Friday 3rd May. Please ensure your child is dressed appropriately for this outdoor activity, with comfortable shoes which may get muddy.

Donation Request from Early Years

Our Early Years children love playing with **small toy cars and vehicles**. If you have any at home that your children no longer play with, please donate them to our Reception and Nursery Classes. There will be a labelled box in the main Reception area next week to put them in. Thank you!

Arbor

Parents can enable 'Push Notifications' when installing the Parent App on your phone, which means you'll be notified when you've been sent a new in-app message (whether you're logged in or not). For more info, see below:

Highfield Hikers

On Friday 17th May, several Highfield Staff will be taking part in The Nightingale's Night Hike. The Night Hike is THE event of the year. 1 in 2 people will be diagnosed with cancer in their lifetime, which means if not already, we will all be touched by Cancer. It's a staggering statistic and we want to support The Nightingale in making sure they are there for everyone, providing vital and free support. If you are able, we would be really grateful if you could please sponsor us using the below link: <https://www.justgiving.com/team/highfield>

French Storytelling Performance Reminder – Years 3, 4 and 5 ONLY

As part of our whole school topic 'Vive La France', we are delighted to inform you that the Freshwater Theatre Company will be coming to Highfield to perform a traditional tale on **Tuesday 7th May 2024 to Year 3, 4 and 5**. This interactive production, presented entirely in French, combines two beloved fairy tales: "Goldilocks" and "The Three Little Pigs." **We are asking for a contribution of £3.50 per child (via Arbor - It comes up as a School Trip)** to cover the cost of this performance. Unfortunately, if several children do not contribute, then the performance will not take place as the school is unable to meet large shortfalls. **The deadline to pay is Friday 3rd May 2024.** This event promises to be an exciting and enriching foreign language experience for all!

Children's Belongings

Please ensure anything you send your child to school wearing/carrying (incl. Water Bottles and Tupperware) are clearly labelled with your Child's Name and Class. This will ensure that if they are misplaced, they are more likely to be returned to you.

Back to School for the Summer Term!

As the clocks have moved forward recently and the warmer and lighter evenings have arrived, your child's sleep pattern may have been disrupted. A daily routine is important and will support good sleep hygiene (sleep routine).

Quality Sleep for Children is Important.

Sleep Hygiene; tips for a good night's sleep:-

-  Exercise – this could be a walk home from school or a trip to the park.
-  Tidy toys before dinner – to limit stimulation and encourage winding down.
-  Dinner - Aiming for the same time each evening helps to build a routine.
-  Slow things down after dinner – Relaxing activities (like reading/looking at books)
– No physical exercise in the hour before bed.
-  No sugary snacks before bed – Avoid fizzy drinks, chocolate, sweets, crisps etc.
-  Limit drinks an hour before bed – to avoid night-time accidents and promote uninterrupted sleep.
-  No devices! Switch off tablets/phones 1hour before bedtime to minimise stimulating blue light.
-  Bedroom environment – Minimise distractions. Check noise levels, temperature, lighting; blackout blinds, nightlight. No toys out.
-  Create a bedtime routine to stick to – e.g., bathroom, pyjamas, clean teeth, story time.
-  Lights out at a set time each night, or have night light in hallway.
