Science:

Our Science topics this term are 'materials Plants'. We will be looking at the properties of a range of materials and what plants need to stay healthy.

Religious Education:

This term we will be focusing on World Views and Judaism. We will look at how Shabbat is celebrated and how the sense of belonging.

Don't Forget

We would appreciate a box of tissues and hand soap from each child for this term.
Please ensure that your child has a named water bottle everyday. Bottles will be sent home every day.
Homework is sent home **every Thursday** and it is important it is completed by the following Thursday.
Please listen to your child read for at least 15 minutes everyday and **record this in their reading record**. Please ensure reading books are **returned every Monday** as we use these books across Key Stage 1.
Please make sure your child is attending school **wearing the correct PE kit on their set days**. Long hair to be tied back.
No jewellery (apart from religious jewellery) or nail varnish to be worn.
No nuts in any food to be brought into school (including peanut butter and Nutella).
Please remember that birthday treats should be chocolate buttons only as we are a nut free school.
If your child is unwell please phone school (**02083602149**), email or tell us via the school app in the morning.

Dear Parents/Carers

Welcome back!

We will be going on a Year group trip to **Capel Manor on Friday 21st June**. Payment needs to be made via Arbor.

Each class will have their class assembly this term.

1B: Friday 3rd May 1W: Friday 10th May

1M: Friday 17th May

**'Together we can
achieve more'**

Year 1 Curriculum Letter - Summer 2024

Whole school topic: Vivre La France

Whole school values: Respect, kindness, co-operation.

Whole school values: Optimism

PSHE:

In PSHE this term we will be recapping the Golden Rules and celebrating our different cultures, learning about the environment, thinking about the value of money and also reviewing E-safety.

English will include:

- Poetry
- Story writing
- Recounts
- Instruction writing

Geography

Our Geography topic is 'What are oceans and why are they important?'. We will be learning about their key features and also how we can protect our oceans for the future.

Computing

We will continue to focus on E-safety in Computing and exploring programming. The children will be creating instructional videos that links with our D&T work.

Topic:

Our theme this term is 'Vivre Le France'. We will be talking about the children's future aspirations through a range of PSHE activities and circle times. We will also be focusing on the Paris Olympics for our STEM week.

We look forward to continuing to work with you and your children. If you have any further questions or queries, please make an appointment with your class teacher after school.

The Year One Team
