Well done to the following classes for their excellent punctuality (least amount of lates).

CONGRATULATIONS to **RB, RJ, 2BD & 2S in KS1 (with no lates)** and to **3C, 3J in KS2 (with no lates)** this week. These classes will receive our 'Early Birds' to look after for the week.

Parent Contribution Scheme

Last week Mr Wilson sent out a letter asking for parent contributions to help purchase school resources. As I am sure you are all aware, schools' financial positions are currently very challenging. We are very grateful for those of you who have already contributed. If you are able to contribute, but have not already, please read the letter below.

Supporting Your Reception Child in Maths

At 2:30pm on Friday 8th November, Ms Johnson, our Maths Lead, will be delivering a Workshop for Parents/Carers on how to support your **Reception** child at home in Maths. Please join us for this.

Parent Contribution Scheme

Dear Parents/Carers,

I hope this letter finds you well. As part of our ongoing commitment to providing an excellent education at Highfield School amidst significant budget pressures, we are introducing a Parent Contribution Scheme to help sustain the quality of education we strive to deliver. These contributions will be used to pay for curriculum resources for all pupils.

As many of you are aware Highfield, like many other schools, has been under increasing financial pressure over recent years and we do not make this request lightly but as a school we are finding it increasingly difficult to adequately resource our curriculum.

We understand the varying financial circumstances of our families and many of our families may not be in a position to contribute the full amount and any contribution will be gratefully received. **If you are able we would be grateful for a suggested donation £35 per child, per year, towards this crucial initiative.**

To facilitate the contribution process, payments can be conveniently made through your child's Arbor account. You would need to go into the trips section and then select voluntary school contribution. There is a suggested amount of £35 but you can change this.

We understand that financial commitments can be challenging, so we are happy to accommodate instalment payments which can be made termly.

Your support through the Parent Contribution Scheme is invaluable in ensuring the continued educational development and enrichment of all our students. Every contribution, no matter the amount, plays a vital role in supporting your child's educational journey.

Thank you for your attention to this matter. If you have any questions or require further clarification, please do not hesitate to contact the school office at your convenience.

Yours sincerely,

David Wilson
