

Highfield Primary School

Week Ending 2nd May 2025

Attendance and Punctuality

Each week we celebrate the two classes with the best attendance for that week – One from EYFS/KS1 and one from KS2. CONGRATULATIONS **to 2L (with 98%)** and **to 3J and 5A (with 98%)** for their great attendance this week. These classes will receive our 'Attendance Bears' to look after for the week.

Well done to the following classes for their excellent punctuality (least amount of lates). CONGRATULATIONS **to RF with 0 lates** this week and **to 5A and 6G also with 0 lates** this week. These classes will receive our 'Early Birds' to look after for the week.

Friday 9th May – 1B Class Assembly

Please join us in celebrating all 1B have learnt so far this year in their wonderful Class Assembly – 9:15am on Friday 9th May.

Year 5 Money Skills Workshops

Next Tuesday Year 5 will be engaging in 'Money Skills Workshops' led by a wonderful Parent Volunteer. Money Skills fits in well with the Year 5 PSHE Unit where the children will learn about saving money.

Relationships and Behaviour Policy Consultation

We have been reviewing our Behaviour Policy to ensure that it reflects the importance of relationships between children, their peers and adults in relation to behaviour. The policy has also been updated to embed the restorative practice that the school has been using.

The policy, along with a powerpoint the summarises the policy, have been emailed to you. We would also like to get your views regarding the proposed changes and a link to a short survey has been emailed to you. You can find it here as well: <https://forms.gle/xLKcfucsBFBGf95R8>

We would really appreciate parents and carers feedback regarding the proposal.

Scabies – Whole school screening

As you will be aware there was a whole school scabies screening exercise that took place this week. A small number of possible cases were identified but there were no clusters of cases in any class and at this time there will be no further action from the North London Health Protection Team. **We are still keeping a very low threshold for picking up children who have a rash or itching, and if a child is found to have these symptoms while at school, we will ask you to kindly collect your child and have them assessed by your GP.**

A reminder that **if your child has Scabies, please keep your child away from school until the day after having the first treatment and inform the school regarding your child's / diagnosis right away.** If your child is diagnosed with Scabies, **treatment will be needed for the child and everyone in your household as well, and 2 rounds of treatment are needed at a week's interval.** Please continue to follow the advice in the Scabies Factsheet that you have been sent.

WRM Digital Tools

To access these tools visit [Digital tools](#) | [Maths Tools for Teachers](#) | [White Rose Education](#) and enter the code for this week: **aba-dug-alp**

Have a lovely weekend,

Mrs Morton.
