Transport for London  
Travel for Life  
travelforlife.tfl.gov.uk

Enfield Council supports schools to become accredited.

The TfL Travel for Life scheme encourages active, healthy, safe and sustainable travel to school.

Through Travel for life, we aim to reduce the number of car journeys to school to reduce congestion and pollution, and to make the roads safer for children. Walking, scooting or cycling for all or part of the way to school is a great way to fit in exercise for children at the start of the day. It also helps them arrive at school awake, alert and ready to learn.

### Did you know?

- 69% of Enfield's pupils live within 1 mile of their school
- It only takes 20 minutes to walk 1 mile, or 6 minutes to cycle
- You breathe in cleaner air when walking and cycling compared to when travelling by car

Walking, wheeling, scooting and cycling are fun and healthy ways to get to school. You can also travel actively by using public transport for part of your journey, or the 'Park and Stride' way!

### Get Going

Enfield Council's Journeys and Places programme offers a range of free activities and services to support you to travel actively, including Dr Bike and cycle skills training.

### The Green Cross Code

1. Find a safe place to cross then stop
2. Stand on the pavement not the kerb
3. Look all around for traffic and listen
4. If traffic is coming, let it pass, look all round again
5. When there is no traffic walk carefully across the road
