I have experienced children being unkind and had some bullying at school. Tell us about this? Did adults help solve the problem?31 responses

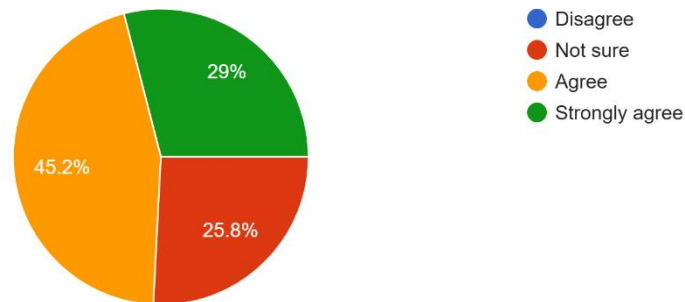

No
No.
Yes being rude to me and calling me names. Yes Miss C.
Being unkind loads of times like they do it mostly for 3 days and then it stops. They call me names and make fun of me. Adults have told them off and they've stopped now.
Sometimes we have arguments, we shout at each other. Adults sometimes help.
Yes at my old school.
Yes sometimes my friends run away from me and I feel alone and I don't like it. Adults helped.
It was in 2025 these boys every time I made a bug hotel they destroyed it. I went to Miss Morton's office and she went and told off the boys.

I can ask my teacher if I don't understand and need help

Yes because can talk to my friends. School is fine.

Sometimes I like coming to school, when I'm not tired. Don't change the lunch menu a lot.

Yes because we've got a big playground and we have pets. We should have a bigger goat pen.

Yes because I like to see my friends and learn things. School dinners I don't like them that's why I have packed lunch.

Yeah because I like being in Highfield Primary School and it's so fun we have trips. Tell the teacher.

Yes because going to school and learning stuff is so much fun. If everyone was kind.

Yes because it's fun. I think they need to change their lunches. Make better egg sandwiches and get more cheese.

Yes because I like every time I have fun with my friends and teacher. When it's hot they can put water fountains outside to cool off. Make a nature club.

Yeah because it very fun and you do very fun learning. School dinners are not really good, want more food.

Sometimes because I want to see my friends but sometimes I just don't want to come to school. Better food. Cleaner toilets. AC in classrooms.

It's fine but it could be better. In the lunch hall I'd like to order your lunch in the canteen. Wear looser uniform in the summer.

No because sometimes I feel worried about coming to school. Change the school dinners the portion sizes aren't good, cutlery has old food on it and the plates are wet.

No because I know I'm going to be upset. The school is fine.

Yes because we get to do English. The school is perfect.

Yeah sure because my dad tells me to learn all the stuff. If (certain - not his word) people were not here I could do better.

Yes because I have fun things to do and the teachers help. A swimming pool in the playground.

Yes because it's fun and my friends are there. Change my teacher is she strict in class.

Yes the teachers are kind and my friends are kind. Make the school dinners more tasty. Not enough Buddies to help the people that are left over from games.

Yes because it is a nice school and it's way better than my first school. More teachers at playtime, more cameras everywhere. More fans and air conditioning through the summer. Let more children choose their lunch at the cafeteria instead of at home.

It's ok. Everything is ok.

Sometimes. Not sure.

It's fine coming here. Toilets are not great. If you don't like the lunch like the taste we don't eat it but we should get more salad.

I'm not sure. Food it's not great hygiene and I don't eat chicken so on Wednesday I have sandwich but I don't really like the cheese sandwich either.

Yeah because we need to learn every year. Stop people fighting especially over football.

Listen and no talking while the teacher is talking.

Yes because everyone is nice here. Maybe we could have a room with art supplies so for Art we could go there. Go to the music room instead of in the classroom for music.
