Phonics Workshop for Parents/Carers of children in Year 1/2

Following on from the previous phonics meeting, our English Lead Ms Johnson and Deputy Headteacher Mrs Calder are holding a **Phonics Workshop** for the parents/carers of our **Year 1** children and parents/carers of children now in **Year 2 who did not pass the phonics screening** in the main hall on **Thursday 15th October 2:30-3:00**. Please come along to learn about the phonics screening check, the Little Wandle phonics scheme, how and what we teach at school, to see the resources we use and how to access them at home, our approach to early reading and reading for pleasure and how best to support your children with their phonics and reading skills at home.

Show Racism the Red Card

Show Racism the Red Card is on **Friday 16th October**. All staff and children can come to school **wearing the colour red** to show our support for this important cause. Next week children will be learning about the causes and consequences of racism, and to appreciate that every person, irrespective of their characteristics or appearance, should be treated with respect and kindness. Blue Peter have commissioned some special poems by black spoken word artists to celebrate Black History Month and to take action and work together to build a better future for people of all races in the UK, some of which we are sharing with the children. See <https://www.bbc.co.uk/cbbc/watch/blue-peter-black-history-month-poems> to explore these further with your child.
